SUBJECT: GUATEMALA'S RESPONSE TO UPDATED P5+1 PACKAGE FOR  
IRAN

REF: STATE 64530

Classified By: Ambassador James Derham for reasons 1.4 (b,d).

11. (C) On June 22, Poloff delivered reftel demarche and updated P5 1 package for Iran to Leila Villatoro, Deputy Director of Multilateral Policy at the Ministry of Foreign Affairs (MFA). Villatoro thanked Poloff for the information and promised to forward it to the Guatemalan Mission in New York and those responsible for nuclear issues in the MFA. She expressed support in principle for international efforts to find a peaceful solution to the Iranian nuclear issue. She informed Poloff that GOG policy on issues such as this were largely developed by the Guatemalan Mission in New York, with little input from the MFA. She added that if the U.S. wanted to influence Guatemalan voting or opinion on the myriad of issues relating to Iran and IAEA, it would be more effective to directly approach the Guatemalan Mission in New York.
